Today it is the most reliable company recognized as Konart and it is admired highly for it's qualitative services to the customers satisfaction honestly and dedicatedly. It is a company which represent the beauty of Odisha Art and Crafts for our clients.

It is not just a business, it is an effort to represent Odisha by its valuable products.

We aim to improve poor artisan's standard of living by exposing their talent worldwide. And to take Odisha's art and craft one step ahead.

## Odisha craft base

Odisha Handicrafts have a global recognition for it's valuable objects and beauty.

Generations of Artisans have worked with Exquisite craftsmanship, innovative techniques and unmatched skills to produce valuable products that have carved a worldwide identity.

Our craft base is very strong. 13 lakhs artisans and as many as more than 50 different crafts skills many commercially viable crafts with the largest skill base in the country.

## Dhokra

An art form that to kept alive.

Dhokra is one of the earliest known method of metal casting. This craft dates back pre-historic time of Harrappa and Mohenjodaro period of Indus civilization.

Dhokra making is the original creative instinct of the craft person's. Which is beautiful amalgamation of art and science.

It's casting of figurines of different animals with their antique looks, fits in with interior décor.

Dhokra is made of with an alloy of brass, nickel and zinc that gives an antique effects of the casting.

# Tribal Jewellery

“Tribal style” is a major runway trend  
is the past couple of years.

many tribal Jewellery has travelled around the world from village to village, and generation to generation these irregularities are part of its charm, heritage and value. Jewellery that is made of bone, wood, clay shells and crude metal by tribals is not rustic and earthy charm. Tribal Jewellery routinely plays a role in both physical and spiritual protection.

## Stone Carving

Odisha is very popular across the globe for its traditional stone works and other major handicrafts of State include with appliqué works.

The numerous stone temple that dot the state reflect the acme of its artistic excellence, whereby mute stone panels come alive. The chisels of the state's artisans carve figurines with vivid expressions, which showcase the many facets of human emotions.

Stone icons & figures carved from the state include miniature replicas of the sun temple at Konark, the temple of lord Jagannath, the Lingaraj Temple, the Rajarani Temple and Mukteswar Temple.

## Coir Crafts

Among the state's greatest contributions to the arts and crafts for the country, the artifacts are made from coir fiber the light weight, yellow coloured fiber moulded into animal and bird designs as well as decorative items. Religious and Folk motifs merge with modern motifs to attract end users from India and Abroad, Some of the popular animal figures include horses, crocodiles and dinosaurs.

## Bamboo Craft:

Cane and bamboo, which grow wild in odisha's forest, provide abundant raw material for producing utilitarian and decorative objectives. Basketry owes its existence exclusively to cane and bamboo of late, artisans have been experimenting to provide a contemporary touch to this traditional craft.
